<p>Snapshots</p> <p>Snapshots are photos taken within a space that can be downloaded to use for print or web marketing. Snapshots available in different resolutions and can be enhanced for an additional fee.</p>	<p>\$5 per Snapshot or \$20 for 5</p>

Available Add-On Services (cont.):

Add-On Service	Price
<p>Tagged Content</p> <p>Tagged content is a simple way to give context to spaces and provide important information and features of a space, like Stainless-Steel appliances, links to a website, special offers, or videos. This turns the 3D tour into a powerful marketing tool for engaging with customers, or for communicating with remote stakeholders, property buyers, prospective lessees, or global audiences.</p>	<p>\$10 per tag or \$75 for 10 \$150 for 20</p>
<p>Highlight Reel Guided Tour</p> <p>A highlight reel shows off all of your Snapshots of a space in a filmstrip at the bottom of the model. A Guided Tour moves you through the Highlight Reel just by pressing play.</p>	<p>Depends on Number of Positions Price TBD</p>
<p>Schematic Floor Plan</p> <p>We can deliver a black-and-white floor plan generated directly from your 3D scan within two business days - labeled exactly as you like.</p>	<p>\$25 for space less than 10,000 sq. ft. \$50 for space greater than 10,000 & less than 25,000 sq. ft.</p>
<p>CoreVR Experience (Android & IOS)</p> <p>VR offers the most immersive way to experience a space. Viewers can get a total sense of presence, and a cognitive sense of physically being somewhere else.</p>	<p>Included</p>
<p>360° Views</p> <p>360 Views gives you the chance to capture sweeping outdoor imagery to include as part of your 3D tour.</p>	<p>\$5 per position</p>

We offer additional Print & Digital Marketing solutions to help you promote and grow your business. Contact us for a Marketing Consultation.
